DISCOVERY

SERIES GUITAR with a SpeedLoader™ Bridge

Joe Walsh is playing a Discovery Series Guitar with a SpeedLoader™ Fixed Bridge

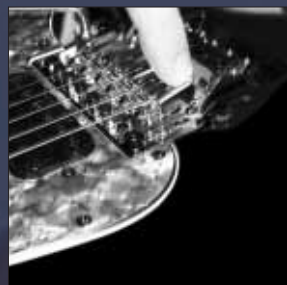

push down on saddle and slide back

slide string out of saddle

remove string

reload string and snap into place

is not just bold...it's extreme in concept and performance. The patented strings provide unmatched tuning stability, snap into place and have you ready to perform in mere minutes.

With a **SPEED/LOADER™** BRIDGE, changing strings is a snap
